

# Up to 4,000 new homes planned for Hethersett

If we don't act we could see our village double in size - complete with a concrete, soulless 'new town' centre and absorbing much of the green space between Wymondham and Norwich.

Are you concerned about the potential end of our village and community as we know it?

Visit [www.hethersett.net](http://www.hethersett.net) for more information and to join the debate.

*Thank You.*
